Signed:

(Artist)

Date:

SECTION 2

Applicants are urged to write as clearly as possible, in English, with emphasis on what they judge to be of research significance and with clearly stated artistic objectives. Please note it is the artist's responsibility to secure all and any necessary permissions with regard to the flying of drones as part of the research process.

a) Outline your reasons for applying for this award. Indicate the aims and objectives of the research and the methods you will use to carry out the research and the names of potential partners/collaborators in the project (max number of words: 2,000).

b) What do you anticipate will be the outcome of this phase of work and how will it contribute to understandings of drone technologies, the implications of seeing without being seen or other relevant affects (max number of words: 2,000)

c) Duration of the research

• Start date: _____

• End date: _____
